

Statrys Media Fact Sheet

About Statrys

Statrys is a Fintech company based in Hong Kong. Since its establishment in 2020, Statrys has become a leading provider of Accounting services, Business Account solutions and Company Creation. The company offers a comprehensive range of services designed to support small and medium-sized enterprises (SMEs), entrepreneurs, and startups.

Statrys unifies Accounting, Business Accounts, and Company Incorporation into one digital back-office (ABC) ecosystem. Giving founders full visibility, fewer moving parts, and less operational friction.

The Statrys ABC ecosystem enables clients to easily set up and manage companies, handle bookkeeping, and process payments. Statrys offers multi-currency business accounts and competitive foreign exchange services designed to simplify global financial operations for businesses. With direct operations in Hong Kong, Singapore and the European Union, Statrys offers tailored solutions for each market.

Company Background

The co-founder and CEO of Statrys, Bertrand Theaud, has over twenty years of experience in Asia as a lawyer, investor, and business owner. Through his experiences, Bertrand recognised that entrepreneurs often face frustrating challenges when opening and maintaining a business account. In response to these difficulties, Statrys was founded in 2020 in Hong Kong to help small businesses navigate the process more seamlessly.

In 2023, Statrys took a significant step to expand its services by launching company incorporation services and accounting services in Hong Kong and Singapore, to make it easier for entrepreneurs to start their businesses and obtain business accounts seamlessly.

Mission and Core Focus

Statrys believes that providing exceptional financial services is about more than just technology. Statrys's approach is centered around putting people first, by making it simple to connect with Statrys, at the convenience of each individual's preferred channel, such as WhatsApp, Email, or Phone. The Statrys team speaks various languages, including English, Cantonese, French, Spanish, Hindi and Thai. This ensures that all Statrys' clients receive the same high-quality customer experience.

Licensing

- Statrys Limited is licensed as a Money Service Operator (No. 19-02-02726) in Hong Kong.
- Statrys UK Limited is a Small Payment Institution (FRM: 911226) registered with the Financial Conduct Authority in the United Kingdom (FCA).
- Statrys Singapore Pte. Ltd. is licensed by the Monetary Authority of Singapore (MAS) as a Major Payment Institution under the Payment Services Act 2019 (Licence No. PS20200692).

Compliance

At Statrys, each client's onboarding request is robustly and carefully evaluated based on multiple criteria. The assessment is influenced by Statrys' risk appetite. Statrys considers various factors, including the client's industry, the geographic scope of their business, and the intended use of the account, among others. Statrys remains committed to maintaining the highest standards of risk management and compliance in all its operations.

Business Account Hong Kong

Statrys offers Hong Kong business accounts the option to receive payments in 11 different currencies with competitive FX fees. These currencies are HKD, AUD, CAD, CHF, RMB, EUR, GBP, JPY, NZD, SGD, and USD.

Additionally, payments can be sent to over 100 countries in 18 different local currencies, including THB, VND, INR, IDR, PHP, TRY, and KRW.

Business Account Singapore

Statrys has the same offers for Singapore business accounts. The business account offers the option to receive payments in 11 different currencies, along with competitive foreign exchange (FX) fees. The currencies included are HKD, AUD, CAD, CHF, RMB, EUR, GBP, JPY, NZD, SGD, and USD. Additionally, payments can be sent to over 100 countries in 18 different local currencies, including THB, VND, INR, IDR, PHP, TRY, and KRW.

Corporate Services Hong Kong & Singapore

Statrys offers a fast and efficient company creation service that gets clients operational in as little as 5 days. The services include company incorporation, company secretary services, mail scanning, 24/7 access to a company portal for document management, and the provision of a registered business address in Hong Kong and Singapore.

Statrys manages all regulatory requirements, ensuring a seamless experience for businesses seeking to establish a legal presence in Hong Kong or Singapore.

Accounting Services

Statrys offers comprehensive accounting services designed to help businesses and entrepreneurs manage their financials efficiently and stay compliant with local regulations. These services include bookkeeping, auditing and tax filing. By leveraging advanced technology, Statrys ensures the accuracy and timeliness of financial records and provides reminders for key deadlines. Furthermore, Statrys helps keep documents organised to ensure compliance with tax obligations and provides businesses with insightful reports to support informed decision-making.

For companies based in Hong Kong, Statrys offers a transaction-based, pay-per-use accounting pricing model. Monthly accounting fees are based on transaction volume, allowing businesses to choose a tier that accurately reflects their activity level.

Key Stats Milestones 2025

Statrys currently serves over 10,000 clients with Business Accounts based across 70+ countries. The company has surpassed \$7 billion in transfer volume and over \$2.5 billion in foreign exchange (FX) volume.

Company Size & Locations

Statrys has offices in Hong Kong, Singapore, Bangkok, Paris, and Manchester. As of 2025, the company employed over 100 staff members across all offices.
